Work Experience

Middle Front End Developer • Magic Powered

MP

May 2021 - June 2023

My first IT company. Mainly developing blockchain crypto-related web apps and landing pages.

My responsibilities:

- developing mainly the front end part of web apps using React/Next.js framework with TypeScript;

- optimization;

- fixing bugs;

- CEO optimization;

- working as part of a team or independently;

- integration with REST API/web3;

- communication within a team (designers/PM/backend/devops);

- rare communication with clients;

Expirience: Junior Dev(6 months), Middle Dev (1.5 year).

Company website: https://magicpowered.io/

2nd Officer • Zodiac Maritime LTD.

June 2008 - July 2020

My ex-job was seaman, working in a UK-based company, world wide, with mixed crew on board bulk carriers.

Expirience: Deck cadet/study(3 years), 3rd officer(5 years), 2nd officer (4 years).
